

Bay Street Streetscape Improvements Project

RFQ Number: 2018 – 048

ADDENDUM NO. 2 – August 1, 2018

To: All Known Bid Document Holders
From: Sheila M. McGauvran, P.E.
Town Engineer - Town of Westerly
68 White Rock Road
Westerly, RI 02891

The following items represent additional information provided, changes, amendments or clarifications to the Contract Bid Documents for the above referenced project:

- **The bid document references RIDOT Standard 7.3.0, 7.3.1, 7.3.2, and 7.3.3, which are all 6" granite curbing. Yet the curb detail and Addendum No. 1 reference 5" granite curbing? Which is correct?**

The Town selected 5" granite curbing because we were informed by a supplier that there would be cost savings. The Town would accept either 5" or 6". However, any variance from the bid documents must be noted on the bid.

- **212.200 Cleaning and Maintenance of erosion control measures. The bid form calls for LS but the DOT item includes force account work.**

The Town cannot pay contractors under force account. The selected contractor will be responsible for the cleaning and maintenance of erosion control measures and will be paid a Lump Sum for this item regardless of the level of effort required.

Where reference is made to the DOT Blue Book, the contractor will adhere to material and installation standards. However, Basis of Payment will not apply. The unit and unit price included in the bid will be the Contractor's only basis of payment.

- **Does the total bid price include the add alternates?**

Yes. Since this is a unit price contract, the bid price must include all of the add alternates, even though some items will not end up being used at all.

The above clarifications and information does not warrant reissuance of any portions of the Bid Documents (including Bid Form). Prospective Bidders should acknowledge receipt and acceptance of Addendum No.1 with executed copy of each addenda returned with the executed bid form.

Bidder acknowledges receiving Addendum No. 2 dated August 1, 2018 and considers the information, changes and clarifications to be made part of the Bid Contract Documents.
